

I Want to See the Bright Lights Tonight

[D] I'm so [A] tired of [G] working every [D] day
Now the [A] weekend's here I'm gonna [A7] throw my troubles
a- [D] way
[D] I've got some [A] money and, [G] honey, you'll do all [D]
right
I [D] want to [A] see the [G] bright [A] lights to- [D] night
[D7]

[G] Meet me at the station; don't be late
I [A] want to spend my [G] money and I just won't [A] wait
[A7]
[G] Take me [F#m] to the [Em] dance and hold me [D] tight
I [D] want to [A] see the [G] bright [A] lights to- [D] night

[D] There's crazy [A] people; they're [G] running all over [D]
town
And a [A] silver band just [A7] marching up and [D] down
The [D] big boys [A] are all [G] looking for a [D] fight
I [D] want to [A] see the [G] bright [A] lights to- [D] night
[D7]

Chorus

[D] A couple of [A] drunken [G] nights rolling on the [D] floor
Is [A] just the kind of [A7] mess I'm looking [D] for
I'm [D] going to [A] dream 'til [G] Monday comes in [D] sight
I [D] want to [A] see the [G] bright [A] lights to- [D] night
[D7]

Chorus

Outro:

[D7] [G] Take me [F#m] to the [Em] dance and hold me [D]
tight
I [D] want to [A] see the [G] bright [A] lights
I [D] need to [A] see those [G] bright [A] lights
[D] Honey [A] show me the [G] bright [A] lights to- [D] night
