

Fourth on my List of Loveable Evil Dictators – The Skunk Boy Project

Intro: [G] [Gmaj7] [G6] [Gmaj7] [G] [Gmaj7] [G6] [Gmaj7]
[Am] [Am7] [Am6] [Am7] [G] [Gmaj7] [G6] [Gmaj7]

You'd be [G7] hot as a fox if you weren't cold as steel
If you [C] had a little love you'd have some sex appeal
Your [D] effortless repellence is no [C] match for a [D] mor- [C] tal
[G] man [Gmaj7] [G6] [Gmaj7]

Self [G7] righteous in your rights; crush any man in sight
You could [C] turn a light debate into a full on fight
With an [D] army at your hands I'm [C] sure you'd have [D] bat-
[C] tle [G] plans [Gmaj7] [G6] [Gmaj7]

You're [G] fourth on my [Gmaj7] list of [G6] loveable [Gmaj7] evil
dic- [Am] tators [Am7] [Am6] [Am7]
After [Am] Stalin, Musso- [Am7] lini and [Am6] Hitler, [Am7]
you're the [G] greatest [Gmaj7] [G6] [Gmaj7]
And if you [G] yearn [Gmaj7] ... to [G6] learn what [Gmaj7] earned
you this [Am] status [Am7] [Am6] [Am7]
You're a [Am] cynical, [Am7] clinical [Am6] all round sa- [Am7]
tirical [G] sadist. [Gmaj7] [G6] [Gmaj7]

[G7] Heart in a jar, no mercy no charm
A [C] look almost cruel, yet so close to calm
Sus- [D] picious and malicious and [C] frankly all [D] kinds [C] of
[G] rude. [Gmaj7] [G6] [Gmaj7]

[G7] Emotionless or so claim the rest
Too [C] feared to go near and put it to the test
On a [D] mission for positions of [C] power to [D] rule [C] the [G]
world. [Gmaj7] [G6] [Gmaj7]

[Chorus]

Bridge: [Em] Follow the march, or [B] feel the wrath
Of her [C] secret service po- [G] lice [B]
Polit- [Em] icians on a mission seem to [B] disappear
[C] Some say released, [G] some say de- [B] ceased
There's [Em] posters on the wall about [B] ten feet tall
Just a [C] cue that she's watching [G] you [B]
[Em] Don't be a pest, fall in [B] line with the rest
Don't stand [C] out whatever you [G] do [B]

[Chorus]

Pretty much all the chords are barred apart from the G and Am variants in the intro/chorus.
