

Capo I to play along with original: https://www.youtube.com/watch?v=L_jWHfflx5E

...2, 3, Some- [F] body once [C] told me the [Gm] world is gonna [Bb] roll me
I [F] ain't the sharpest [C] tool in the [Gm] shed [Bb]
She was [F] looking kind of [C] dumb with her [Gm] finger and her [Bb] thumb
In the [F] shape of an [C] "L" on her [Gm] forehead [Bb]

Well the [F] years start coming and they [C] don't stop coming
[Gm] Fed to the rules and I [Bb] hit the ground running
[F] Didn't make sense not to [C] live for fun
Your [Gm] brain gets smart but your [Bb] head gets dumb
[F] So much to do, so [C] much to see
So what's [Gm] wrong with taking the [Bb] back streets?
You'll [F] never know if you don't [C] go
You'll [Gm] never shine if you don't [Bb] glow

[F] Hey now, you're an [Bb] all-star, get your [G7] game on, [Bb] go play
[F] Hey now, you're a [Bb] rock star, get the [G7] show on, [Bb] get paid
[F] And all that [Bb] glitters is [G7] gold
[Bb] Only shooting [F] stars [Eb] break the [Bb] mould [Bb]

It's a [F] cool place and they [C] say it gets colder
You're [Gm] bundled up now, wait [Bb] 'til you get older
But the [F] media men beg to [C] differ
Judging by the [Gm] hole in the satellite [Bb] picture
The ice we [F] skate is getting pretty [C] thin
The water's getting [Gm] warm so you might as well [Bb] swim
My world's on [F] fire, how about [C] yours?
That's the way I [Gm] like it and I'll never get [Bb] bored

[F] Hey now, you're an [Bb] all-star, get your [G7] game on, [Bb] go play
[F] Hey now, you're a [Bb] rock star, get the [G7] show on, [Bb] get paid
[F] And all that [Bb] glitters is [G7] gold
[Bb] Only shooting [F] stars [Eb] break the [Bb] mould

Whistling verse:

[F] [Bb] [G7] [Bb]

[F] Hey now, you're an [Bb] all-star, get your [G7] game on, [Bb] go play
[F] Hey now, you're a [Bb] rock star, get the [G7] show on, [Bb] get paid
[F] And all that [Bb] glitters is [G7] gold
[Bb] Only shooting [F] stars [Eb]

Some- [F] body once [C] asked could I [Gm] spare some change for [Bb] gas?
I need to [F] get myself a- [C] way from this [Gm] place [Bb]
I said, [F] "Yup" ... what a con- [C] cept
I could [Gm] use a little fuel my- [Bb] self
And we could [F] all use a [C] little [Gm] cha... [Bb] ange

Well the [F] years start coming and they [C] don't stop coming
[Gm] Fed to the rules and I [Bb] hit the ground running
[F] Didn't make sense not to [C] live for fun
Your [Gm] brain gets smart but your [Bb] head gets dumb
[F] So much to do, so [C] much to see
So what's [Gm] wrong with taking the [Bb] back streets?
You'll [F] never know if you don't [C] go
You'll [Gm] never shine if you don't [Bb] glow

[F] Hey now, you're an [Bb] all-star, get your [G7] game on, [Bb] go play
[F] Hey now, you're a [Bb] rock star, get the [G7] show on, [Bb] get paid
[F] And all that [Bb] glitters is [G7] gold
[Bb] Only shooting [F] stars [Eb] break the [Bb] mould [Bb]

[F] And all that [Bb] glitters is [G7] gold
[Bb] Only shooting [F] stars [Eb] break the [Bb]X mould
