[C] /// [G] /// [F] /// [Gsus4] / [G] /
[C] Eyes ... like a sun- [G] rise
Like a [F] rainfall down ... my [Gsus4] soul [G]
And I [C] wonder
I wonder why you [G] look at me like that
What you're [F] thinking
What's be- [C] hind
Don't [G] tell me but it [Dm] feels [C](E) like [F] love.

Chorus - ALL

I'm gonna take this [C] moment
And make it last for- [G] ever
I'm gonna give my [F] heart away
And pray we'll stay to- [Gsus4] gether [G]
'Cause you're the one good [C] reason
you're the only [G] girl that I need
'Cause you're more [Dm] beautiful than [C](E) I have ever [F]
seen, oh [C](E) yeah
I'm gonna [Dm] take this night
and [F] make it ever- [C] green! ///

[C] Touch ... like an [G] angel
Like [F] velvet to my [Gsus4] skin [G]
And I [C] wonder
I wonder why you [G] want to stay the night
What you're [F] dreaming
What's be- [C] hind
Don't [G] tell me but it [Dm] feels [C](E) like [F] love.
