

Games People Play Joe South – concert edition created 28/03/2018

Build up gradually! [G] Oh the games people [G] play now
Every night and every [D] day now
Never meaning what they [C] say now
[D] Never saying what they [G] mean
And they while away the [G] hours
In their ivory [D] towers
Till they're covered up with [C] flowers
In the [D] back of a black limou- [G] sine

Chorus: La-da da da da da da da
La-da da da da [D] da da de
Talking 'bout [C] you and me
[D] And the games people [G] play

Oh we make one a- [G] nother cry
Break a heart then we [D] say goodbye
Cross our hearts and say we [C] hope to die
[D] That the other was to [G] blame
Neither one will ever [G] give in
So we gaze at our [D] eight by ten
Thinking 'bout the things that [C] might have been
[D] It's a dirty rotten [G] shame **chorus**

People walking up [G] to you
Singing glory halle- [D] lujah
And they're tryin to sock it [C] to you
[D] In the name of the [G] Lord
They're gonna teach you how to [G] meditate
Read your horoscope, [D] cheat your fate
And furthermore to [C] hell with hate
[D] Come on and get on [G] board **chorus**

Back off!! A cappella: Look around tell me what you see
What's happening to you and me
God grant me the serenity
To remember who I am
'Cause you've given up your sanity
For your pride and your vanity
Turned your back on humanity
And you don't give a da da da da da **chorus x2;**

last line a cappella
