

Well there [G] once was a lofty ship that sailed upon the sea
The [C] name of the ship it was the [D] Golden Vanity
And the [G] one day she came upon the Spanish enemy
As she [C] sailed upon the [D] lowlands, [G] lowlands [Em] low
As she [C] sailed upon the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
As she [C] sailed upon the [D] lowlands [G] low

Well [G] up spoke the cabin boy and boldly out spoke he
He [C] said to the captain, now [D] what would you give to me
If [G] I were to swim up to the Spanish enemy
And [C] sink her in the [D] lowlands, [G] lowlands [Em] low
And [C] sink her in the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
And [C] sink her in the [D] lowlands [G] low

Well [G] I will give you silver, and I will give you gold
[C] If you should attempt it's so [D] daring and so bold
Oh [G] and me lovely daughter's hand in marriage you shall
hold
If you [C] sink her in the [D] lowlands, [G] lowlands [Em] low
If you [C] sink her in the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
If you [C] sink her in the [D] lowlands [G] low

The Golden Vanity

Well [G] then the young cabin boy jumped straight into the sea
And with a [C] rope around his waist he swam up [D] to the
enemy

And [G] with the hammer bored a hole and then another three
And he [C] sunk her in the [D] lowlands, [G] lowlands [Em] low
And he [C] sunk her in the [D] lowlands, [G] low.

In the [D] lowlands, in the [G] low- [Em] lands
He [C] sunk her in the [D] lowlands [G] low

Well [G] oh me captain I have done the deed you asked of me
[C] I have sunk the Spanish ship in- [D] to the briny sea
So [G] won't you throw a ladder down or drownèd I shall be
Cause I'm [C] sinking in the [D] lowlands, [G] lowlands [Em]
low
I'm [C] sinking in the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
I'm [C] sinking in the [D] lowlands [G] low

But [G] to the drowning cabin boy the captain paid no heed
Cause [C] he had made a promise that he [D] never meant to
keep

His [G] daughter he would marry to a man with wealth to reap
So he [C] left him in the [D] lowlands, [G] lowlands [Em] low
He [C] left him in the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
He [C] left him in the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
He [C] left him in the [D] lowlands [G] low

In the [D] lowlands, in the [G] low- [Em] lands
He [C] left him in the [D] lowlands [G] low
