

Hotel California Jingle Version 2

[Em] In a dark dismal lockdown,
[B7] Cool tunes in my ears
[D] Our ukes keep the beat as
Our [A] songs fill the air
[C] In my head, in my headphones
[G] I heard a shimmering bright
[Am] My heart grew happy and my sight grew bright
[B7] I had to sing for the night

<p>[C] Welcome to our ukulele [G] festival Such a [Am] lovely place With such [Em] lovely [D] faces [G] [B7] [C] Plenty of fun at our ukulele [G] festival At this [Am] time of year, you can [B7] find us here</p>
