

In My Life Lennon McCartney

Intro: [D] [D] [A] [A] [D] [D] [A] [A7]

There are [D] places I'll re[Bm]member [D7]
All my [G] li[Gm]fe though
[D] some have changed
Some forever not [Bm] for better [D7]
Some have [G] go[Gm]ne and [D] some remain
All these [Bm] places had their [E7] moments
With [C] lovers and friends I [D] still can recall
Some are [Bm] dead and some are [E7] living
In [Gm] my life I've [D] loved them all [D] [D] [A]

But of [D] all these friends and [Bm] lovers [D7]
There is [G] no [Gm] one com[D]pares with you
And these memories lose their [Bm] meaning [D7]
When I [G] think of [Gm] love as [D] something new
Though I [Bm] know I'll never lose [E7] affection
For [C] people and things that [D] went before
I [Bm] know I'll often stop and think [E7] about them
In [Gm] my life I'll [D] love you more
