

## It's Ower

Intro: C F G7+5 Am13

[C] It's ower; it's [Am] ower.  
The [G] lad she [F] lo'ed is [Am] gaen  
[C] It's ower; it's [Am] ower.  
The [G] heart she [Am] held is [C] ta'en

But [F17] wha dare [G11+] claim  
Their [Am13] love was less than [G19] braw?  
Though [C] he lies in anither's [G] airms  
[F] Far, [Am13] far a- [G19] wa'.

It's ower; it's ower.  
The lad she lo'ed is gaen  
It's ower; it's ower.  
The heart she held is ta'en

She kent his frailties  
And he kent her ain  
But love carries a'thing  
Through hail and wind and rain

Oh dear me, whit's the metter noo?  
Three craws sat upon a wa'  
Oh help ma boab, crivvens, jings  
This song's gaen aft aglay

Oh meh, whit a dreh peh  
Ye cannae shove yer granny aff a bus  
Ya daft wee bugger  
Ah bet ah had you, eh no?

G11+ = 0416; Am13 = 2375;  
G19 = 2149; F17 = 2316
