2 bars intro: [D]

[D] I got some bills this morning  
[F#m] They tumbled through the door  
[G] I counted every penny but [A] The bills still came to more  
[D] And printed in the paper [F#m] For Pisces it did say  
[G] "If you would just be bolder [A] Then this might be your day"

It said, [D] "Lady [D7] Luck apolo- [G] gises For the [Gm] way  
she's been be[D]havin'  
And she promises she'll [A] change [A7]  
If [D] you don't want to [D7] know her, she'll [G] understand  
But if you'd [Gm] like to take her [D] hand  
She could be [A] back at your [D] command."

[D] So I ran round the corner [F#m] The bookies there I entered  
[G] Put ten quid on a mare [A] From a stud in Kildare  
[D] But though the jockey beat her  
[F#m] In Belgium they would eat her  
[G] The tannoy began to rip [A] as I tore up the slip, it said...
