

# One Night With You

(Elvis Presley – words & music by D. Bartholomew - P. King)

Intro: [C] / [F] / [C] [nc]

One night with [C] you  
Is what I'm [G] now praying for  
The things that we [G7] two could plan  
Would make my dreams come [C] true

[nc] Just call my [C] name  
And I'll be [G] right by your side  
I want your [G7] sweet helping hand  
My loves too strong to [C] hide [C7]

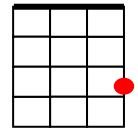

[F] Always lived ... very quiet life  
[C] I ain't never did no wrong  
[D7] Now I know that life without you  
Has [G7] been too lonely too long
