

The Shoop, Shoop Song (It's in his Kiss)

Merry Clayton, Betty Everett and Cher; written by Rudy Clark

[A] Does he love me [G] I want to know

[A] How can I tell if he [A] loves me so

(Is it [Em] in his [A] eyes?)

Oh [Em] no, you'll be de- [A] ceived

(Is it [Em] in his [A] eyes?)

Oh [Em] no he'll make be- [A] lieve

If you [D] wanna [Bm] know if he [G] loves you [A] so, it's in his [D] kiss
[D] shoop shoop [Bm] shoop shoop [G] shoop shoop [A] shoop shoop [D]

[G] (That's where it [A] is, oh yeah)

(Is it [Em] in his [A] face?) Oh [Em] no, that's just his [A] charm

(In his [Em] warm em- [A] brace?) Oh [Em] no, that's just his [A] arms

If you [D] wanna [Bm] know if he [G] loves you [A] so, it's in his [D] kiss
[D] shoop shoop [Bm] shoop shoop [G] shoop shoop [A] shoop shoop [D]

[G] (That's where it [A] is) Woah oh it's in his [D] kiss *[G] (that's where it [D] is)*

Oh, oh, oh, [F#] hug him, squeeze him tight

To [Bm] find out what you want to know

[E7] If it's love, if it really is, [A]X it's there in his kiss

(How 'bout the [Em] way he [A] acts?) Oh [Em] no, that's not the [A] way

[Em] You're not [A] listening to [Em] all I [A] say

If you [D] wanna [Bm] know if he [G] loves you [A] so, it's in his [D] kiss
[D] shoop shoop [Bm] shoop shoop [G] shoop shoop [A] shoop shoop [D]

[G] (That's where it [A] is) Woah oh it's in his [D] kiss *[G] (that's where it [A] is)*

Instrumental: [Em] [A] [Em] [A] [D] [D] [D] [D] [Em] [A] [Em] [A] [D]X2, 3, 4, 1

Oh, Oh, Oh, [F#] hug him, squeeze him tight

To [Bm] find out what you want to know

[E7] If it's love, if it really is, [A]X it's there in his kiss

(How 'bout the [Em] way he [A] acts?) Oh [Em] no, that's not the [A] way

[Em] You're not [A] listening to [Em] all I [A] say

If you [D] wanna [Bm] know if he [G] loves you [A] so, it's in his [D] kiss
[D] shoop shoop [Bm] shoop shoop [G] shoop shoop [A] shoop shoop [D]

[G] (That's where it [A] is)

Oh, oh, it's in his [D] kiss *[G] (That's where it [A] is)*

Oh yeah, it's in his [D] kiss *[G] (That's where it [A] is)*

Oh, oh, it's in his [D] kiss *[G] (That's where it [A] is)*

Oh, oh, it's in his [D] kiss *[G] (That's where it [D]X is)*
