

## Springtime in the Rockies

as per Sons of the Pioneers here: <https://youtu.be/Bq7XPAzTxqU>

When it's [F] springtime [C7] in the [F] Rockies  
I'll be coming [G7] back to [C7] you  
Little sweetheart [Gm7] of the [C7] mountains  
With your bonnie eyes of [F] blue [C] [G7] [C7]

Once a- [F] gain I'll [C7] say I [F] love you  
While the birds sing [G7] all the [C7] day  
When it's springtime [Gm7] in the [C7] Rockies  
In the Rockies [G7] far [C7] a- [F] way

The [C] twilight shadows [Cmaj7] deepen into [C6] night dear [C]  
The city lights are [A7] gleaming o'er the [Dm] snow [A7]  
I [Dm] sit alone be- [Dm maj7] side the cheery [F] fire dear [G]  
I'm [G7] dreaming dreams from out the long [C] ago [G] [D] [G7]

I [C] fancy that it's [Cmaj7] springtime in the [C6] mountains [C]  
The [C] flowers with their [A7] colours are a- [Dm] flame [A7]  
And [Dm] every day I [Dm maj7] hear you softly [F] saying [G]  
I'll wait until the spring [D] time [G7] comes a- [C] gain [C7]

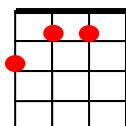

When it's [F] springtime [C7] in the [F] Rockies  
I'll be coming [G7] back to [C7] you  
Little sweetheart [Gm7] of the [C7] mountains  
With your bonnie eyes of [F] blue [C] [G7] [C7]

Once a- [F] gain I'll [C7] say I [F] love you  
While the birds sing [G7] all the [C7] day  
When it's springtime [Gm7] in the [C7] Rockies  
In the Rockies [G7] far [C7] a- [F] way

### Technical notes:

1. The [F] chords that follow each Dm maj7 are really Dm7. They just happen to look like [F], so to avoid confusion, that's what I've called 'em
2. I have made a few "improvements". Enjoy!

Dm maj7

Gm7
