

[F] I remember the night [Bb]  
I remember the [F] sound  
I remember the light  
When the moon came [C] 'round  
The night flowers [Dm] bloomed  
The air so [Bb] sweet  
I remember [F] you [C]  
I remember me

Central Valley [C] sunshine  
Run out of [F] town  
Make your head all [C] funny  
So you stick a- [F] round  
Dusty [G] roads  
Make dirty [Bb] feet  
I remember [F] you [C]  
I remember [F] me

[F] I remember the night [Bb]  
I remember the [F] sound  
I remember the light  
When the moon came [C] 'round  
The night flowers [Dm] bloomed  
The air so [Bb] sweet  
I remember [F] you [C]  
I remember me

Wish I knew you [C] now  
Like I knew you [F] then  
For hours I [C] sit at your feet  
And [F] listen  
When I [G] want  
To feel [Bb] free  
I remember [C] you  
I remember [F] me

[F] I remember the night[Bb]  
I remember the [F] sound  
I remember the light  
When the moon came [C] 'round  
The night flowers [Dm] bloomed  
The air so [Bb] sweet  
I remember [F] you [C]  
I remember me

Found myself at [C] your place  
When I was out [F] walking  
I could hear your [C] piano  
And I swear I could hear you [F] sing  
And the joy we [Am] shared as we [Bb] tarry there  
I remember [C] you  
I remember [F] me

I remember the night [Bb]  
I remember the [F] sound  
I remember the light  
When the [C] moon came 'round  
The night flowers [Dm] bloomed  
The air so [Bb] sweet  
I remember [F] you [C]  
I remember [F] me [Bb]  
I remember [F] you  
I remember [Dm] me [Bb]  
I remember [F] you
