

[F] I remember the night [Bb]
I remember the [F] sound
I remember the light
When the moon came [C] 'round
The night flowers [Dm] bloomed
The air so [Bbmaj7] sweet
I remember [F] you [C]
I remember [F] me

Central Valley [C] sunshine
Run out of [F] town
Make your head all [C] funny
So you stick a- [F] round
Dusty [Gm] roads
Make dirty [Bbm] feet
I remember [F] you [C]
I remember [F] me

[F] I remember the night [Bb]
I remember the [C] sound
I remember the [F] light [Bb]
When the moon came [C] 'round
The night flowers [Dm] bloomed
The air so [Bbmaj7] sweet
I remember [F] you [C]
I remember [F] me

Wish I knew you [C] now
Like I knew you [F] then
For hours I [C] sit at your feet
And [F] listen
When I [Gm] want
To feel [Bbm] free
I remember [F] you [C]
I remember [F] me

[F] I remember the night [Bb]
I remember the [C] sound
I remember the [F] light [Bb]
When the moon came [C] 'round
The night flowers [Dm] bloomed
The air so [Bbmaj7] sweet
I remember [F] you [C]
I remember [F] me

Found myself at [C] your place
When I was out [F] walking
I could hear your pi- [C] ano
And I swear I could [F] hear you sing
And the joy we [A] shared as we [Bb] tarried there
I remember [F] you [C]
I remember [F] me

[F] I remember the night [Bb]
I remember the [F] sound
I remember the light [Bb]
When the moon came [C] 'round
The night flowers [Dm] bloomed
The air so [Bbm] sweet
I remember [F] you [C]
I remember [F] me [Bb]
I remember [F] you [C]
I remember [Dm] me [Bb]
I remember [F] you [C]
I remember [F]X me
