

You angel, you

Bob Dylan, Planet waves

[G] You [D] angel, [G] you
Your essence got me [C] under your [G] wing
The [G] way you [D] walk and the [C] way you [D] talk
I [C] feel I could [D] almost [G] sing

[G] You [D] angel, [G] you
You're as [G] fine as [C] anything's [G] fine
I just [D] walk and [C] watch you [D] talk
With your [C] memory [D] of my [G] mind

[C] You know I can't sleep at night for [G] trying
Yes I [G] never did [D] feel this [C] way be-[D]-fore
[G] Never did [D] get up and [C] walk the [D] floor
If [G] this is [D] love then [C] gimme [D] more
And [G] more and more and more and more

[G] You [D] angel, [G] you
You're as fine [G] [C] as can [G] be
The [G] way you [D] walk and the [C] way you [D] talk
Is the [C] way it [D] ought to [G] be

[C] And oh, I can't sleep at night for [G] trying
Yes I [G] never did [D] feel this [C] way be[D]fore
[G] Never did [D] get up and [C] walk the [D] floor
If [G] this is [D] love then [C] gimme [D] more
And [G] more and more and more and more

[G] You [D] angel, [G] you
Your got me [C] under your [G] wing
The [G] way you [D] walk and the [C] way you [D] talk
I [C] feel I could [D] almost [G] sing
