

Across the Great Divide – Kate Wolf, via Nanci Griffith

Introduction as per verse chords

[**tacit**] I've been [**D**] walking [**G**] in my [**D**] sleep
Counting [**Bm**] troubles 'stead of counting [**G**] sheep
Where the [**D**] years went I can't [**Bm**] say
I just [**G**] turned around [**A**] and they've gone a- [**D**] way

And I've been [**D**] sifting [**G**] through the [**D**] layers
Of dusty [**Bm**] books and faded [**G**] papers
They tell a [**D**] story I used to [**Bm**] know
And it was one that [**G**] happened [**A**] so long a- [**D**] go

Chorus (1):

[**tacit**] It's gone a- [**D**] way [**G**] yester- [**D**] day
Now I [**Bm**] find myself on the mountain- [**G**] side
[**tacit**] Where the [**D**] rivers change dir- [**Bm**] ection
A- [**G**] cross the [**A**] Great Div- [**D**] ide

Well, I [**D**] heard an [**G**] owl a- [**D**] callin'
Softly [**Bm**] as the night was [**G**] fallin'
With a [**D**] question and I rep- [**Bm**] lied
But he's [**G**] gone a- [**A**] cross the border- [**D**] line

Chorus (2):

[**tacit**] He's gone a- [**D**] way [**G**] yester- [**D**] day
Now I [**Bm**] find myself on the mountain- [**G**] side
[**tacit**] Where the [**D**] rivers change dir- [**Bm**] ection
A- [**G**] cross the [**A**] Great Div- [**D**] ide

[**tacit**] The finest [**D**] hour that [**G**] I have [**D**] seen
Is the [**Bm**] one that comes bet- [**G**] tween
The edge of [**D**] night and the break of [**Bm**] day
It's when the [**G**] darkness [**A**] rolls a- [**D**] way

Chorus (1) twice
