Oh you can [C] colour my world with [G] happiness all the [Asus4] way [A7]
Just take the [D] green from the grass and the [F] blue from the [G] sky up
a- [D] bove
And you can [C] colour my world, just [G] paint it with your [Asus4] love [A7]
[X] Just colour my [D] world

[D] Just as long as I know you're thinking [Em] of me
[A7] There'll be a rainbow always up a- [D] bove me
[D] Since I found the one who really [Em] loves me
[A7] Everything I touch is turning to [D] gold

Chorus
