Intro: [C] [Am] [C] [Am]

Chorus: [C] Cupid, [Am] draw back your bow
[C] And let [F] your arrow go
[C] Straight to my [G] lover's heart for [C] me;
No- [G] body but me
[C] Cupid, [Am] please hear my cry
[C] And let [F] your arrow fly
[C] Straight to my [G] lover's heart, for [F] me [C] [G]

Now, [C] I don't mean to bother you but [G] I'm in distress
There's danger of me losing all of [C] my happiness
For I love a girl who doesn't [F] know I exist
[G] And this you can [C] fix [G]

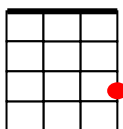

Chorus

Now [C] Cupid if your arrow makes her [G] love strong for me
I promise I will love her until [C] eternity
I know between the two of us her [F] heart we can steal
[G] Help me if you [C] will [G]

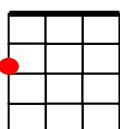

Chorus
