

## Grand Coulee Dam.....Woody Guthrie via Lonnie Donegan

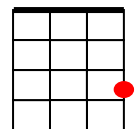

[G] Now the world has seven wonders  
That the [C] travellers always tell  
Some [D] gardens and some towers,  
I guess you know them [G] well  
But now the greatest wonder  
Is in [C] Uncle Sam's fair land  
It's the [D] King Columbia River  
And the big Grand Coulee [G] Dam

G

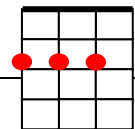

[G] She heads up the Canadian Rockies  
Where the [C] rippling waters glide  
Comes a- [D] roaring down the canyon  
For to meet that salty [G] tide  
Of the wide Pacific Ocean  
Where the [C] sun sinks in the west  
In the [D] big Grand Coulee country  
In the land I love the [G] best

C

D

Chorus: [G] In the misty crystal glitter  
Of the [C] wild and windward spray  
Men have [D] fought the pounding waters  
And met a watery [G] grave  
Why, she tore their boats to splinters  
But she [C] gave men dreams to dream  
Of the [D] day the Coulee Dam  
Would cross that wild and wasted [G] stream

[G] Now Uncle Sam took up the challenge  
In the [C] year of thirty three  
For the [D] farmer and the factory  
And all of you and [G] me  
He said, "Roll along Columbia,  
You can [C] roll down to the sea  
But [D] river, while you're rambling  
You can do some work for me." ...Chorus

[G] Now from Washington and Oregon  
You can [C] hear the factories hum  
Making [D] chrome and making manganese  
And white alumi- [G] num  
Now roars the Flying Fortress  
For to [C] fight for Uncle Sam  
On the [D] foaming King Columbia  
By the big Grand Coulee [G] Dam ...Chorus and repeat first verse
