

I Can Hear Music Recorded by The Beach Boys
Written by Jeff Barry / Ellie Greenwich / Philip Spector

Intro: [D] Ahhhhhh...

[D] This is the [F#m] way
[G] I always [A] dreamed it would be
[D] The way that it [F#m] is, oh [G] oh
When you are [Gm] holding [A] me
[G] I never had a love of my own
[A] Maybe that's why, when we're all alone

Chorus:

[D] I can hear music
[Em] I can hear [A] music
[D] The sound of the city baby [Em] seems to disap- [A] pear
Oh-oh-oh [D] I can hear [D7] music
[G] Sweet, sweet [Gm] music
[D] Whenever you touch me baby
[Em] When- [A] ever you're [D] near

[D] Lovin' [F#m] you
[G] It keeps me [A] satisfied
[D] And I can't ex- [F#m] plain, oh [G] no
The way I'm [Gm] feeling in- [A] side
[G] You look at me; we kiss and then
[A] I close my eyes and here it comes again

Chorus

Bridge:

[D] I hear the music all the time, yeah
[D] I hear the music, hold me tight now baby
[A] I hear the music all the time
I hear the [D] music, I hear the music (baby)
[D] Ahhhhhh...

Chorus
