

Love Will Keep Us Together

Written by Neil Sedaka and Howard Greenfield, via Captain & Tennille

[F] Love... love will keep us to- [Cm] gether
Think of me babe when- [D7] ever
Some sweet-talking [Bb] girl comes along, singing her song
[Bbm] Don't mess around, you've just got to be strong
Just [F] stop! Coz [F+5] I really love you
[F6] Stop! I'll be [F7] thinking of you
[Bb] Look in my [F] heart and let [C] love keep us to- [F]
gether ... [F7] ... [C7]

[F] You... you belong to [Cm] me now
Ain't gonna set you [D7] free now
When those girls start [Bb] hanging around, talking me down
[Bbm] Hear with your heart and you won't hear a sound
Just [F] stop! Coz [F+5] I really love you
[F6] Stop! I'll be [F7] thinking of you
[Bb] Look in my [F] heart and let [C] love keep us to- [F]
gether... what- [F7] ever ... [C7]

[Ab] Young and [Eb] beauty- [Bb] ful
But [C#] someday your looks will be [F] gone
[Ab] When the others [Eb] turn you [Bb] off
[C#] Who'll be turning you [C] on?
I will, I will, I will

I [F] will be there to share for- [Cm] ever
Love will keep us to- [D7] gether
I said it before and I'll [Bb] say it again, while others pretend
[Bbm] I need you now and I'll need you then
Just [F] stop! Coz [F+5] I really love you
[F6] Stop! I'll be [F7] thinking of you
[Bb] Look in my [F] heart and let [C] love keep us to- [F]
gether... what- [F7] ever (first time only: ... [C7])
